SUBJECT: INDEPENDENT LIVING PROGRAM REALLOCATION FOR FEDERAL
FISCAL YEAR 1992, OCTOBER 1, 1991 - SEPTEMBER 30, 1992

REFERENCE: ALL-COUNTY LETTER NO. 91-103

This letter provides revised county Independent Living Program (ILP) allocations for federal fiscal year 1992, October 1, 1991 through September 30, 1992. Revisions were made to additional allocation amounts only; no changes were made to counties' basic allocations. The additional federal Title IV-E ILP funds were available to counties that could provide a cash or in-kind match of the federal funds, dollar for dollar (50 percent match), for all eligible expenditures.

The County Welfare Directors' Association (CWDA) agreed, based upon input from individual counties, that all of the remaining additional federal funds which require a 50 percent match could not be spent before the end of the current fiscal year. Counties reported to CWDA their estimates of the amounts of additional federal funds which they would be unable to use because they had no ability to match the funds as required. The Department and CWDA agreed to reallocate those funds, on a one-time only basis, to counties who indicated that they could use additional federal funds and provide the required match.

If you have any questions regarding the ILP reallocation, please contact Jennifer Smith at (916) 657-3305. If you have any questions regarding ILP operations, please contact your Child Welfare Services Operations consultant at (916) 657-2189.
